

# Polyester Barcode Labels

With protective over-laminate

- Economical multi-purpose label provides good performance in environments where abuse is light to moderate.
- Crisp white polyester material with precise graphic images and excellent readability.
- Aggressively bonds to a variety of surfaces with premium 3M® brand adhesive choices.
- Recommended primarily for indoor use.

## FEATURES

- Economical multi-purpose labels for general use in moderate environments.

### Conforms to Industry Standards:

ISO 15416

MIL-DTL-15024F

ISO 15416

ANSI-X3.182-1990

RoHS, WEEE, REACH

as well as other applicable standards.

## BARCODES

- Any barcode symbology may be utilized, including linear or two-dimensional codes. Multiple barcodes and multiple symbologies can be included on a each part.
- Variable data can be generated from any sequence you specify or in the case of complex or random data you may provide an electronic data file.
- Our rigorous Quality Management System and robust data management services ensure data integrity and complete delivery.

## MATERIALS

- Crisp white finish with clear protective polyester over-laminate.
- .002" thick with .002" adhesive backing and .001" polyester over-laminate.
- Multi-purpose 3M® adhesive that bonds well to a variety of surfaces.
- Add one or more colors or logos.
- Available in virtually any size or shape.
