

Polyester Asset Tags

With protective overlamine

- Economical multi-purpose label provides good performance in environments where abuse is moderate.
- Good resistance to general purpose cleaners, oils and mild chemical agents. Water resistant.
- Crisp white material with precise graphic images and excellent readability produced by digital imaging technology.
- Recommended primarily for indoor use.

FEATURES

- Extremely fine resolution of high density barcodes and detailed logos and graphics.

Conforms to Industry Standards:

MIL-DTL-19834C
MIL-DTL-15024F
ISO 15416
ANSI-X3.182-1990
RoHS, WEEE, REACH

as well as other applicable standards.

BARCODES

- Any barcode symbology may be utilized including linear or two dimensional codes. Asset tags may also be produced with no barcode and with human readable data only.
- Variable data can be generated from any sequence you specify or in the case of complex or random data you may provide an electronic data file.
- Our rigorous Quality Management System and robust data management services ensure data integrity and complete delivery.

MATERIALS

- .003" thick polyester with premium general purpose acrylic permanent adhesive backing and clear protective over-lamine for added durability.
- Add one or more colors or logos.
- Available in virtually any size or shape.
