

Vinyl Asset Labels

Digitally printed

Customer Owned

C029807

- *Enjoy economy combined with precision graphics and durability.*
- *Effectively label a variety of locations with attractive and functional barcode labels recommended for general indoor use.*
- *Durable soft white vinyl conforms to irregular surfaces.*

FEATURES

- *Multi-colored graphics can be added without upcharge.*
- *Optional clear UV flood coating or clear polyester over-laminate to provide additional durability.*

Conforms to Industry Standards:

MIL-DTL-19834C
MIL-DTL-15024F
ISO 15146
ANSI-X3.182-1990
RoHS, WEEE, REACH
as well as other applicable standards.

BARCODES

- Any barcode symbology may be utilized including linear or two dimensional codes. Asset tags may also be produced with no barcode and with human readable data only.
- Variable data can be generated from any sequence you specify or in the case of complex or random data you may provide an electronic data file.
- Our rigorous Quality Management System and robust data management services ensure data integrity and complete delivery.

MATERIALS

- Soft white vinyl .0038" thick with 1.1 mil adhesive backing.
- One or more colors and logos may be included.
- Produced in virtually any size or shape.
